

## PRAY CARD FRONT:

# PRO-LIFE ROSARY

### Begin the Rosary:

On The Crucifix: Lord, for all those who say "I don't believe," I say "I believe in God" ...  
...continue the Apostle's creed.

Offer the first Our Father, on the clear bead, for the intentions of the Holy Father.

### Remembering Our Lord's Passion and Death:

Pray the following before the three purple Hail Mary beads:

Lord, I offer these three Hail Marys for an increase in Faith, Hope, and Love in all people so that they will always CHOOSE LIFE, and I also offer them in reparation for the suffering You endure each time an unborn babe is killed, each time someone is euthanized, and each time death overcomes life in this world. Amen.

### The First Decade: (aqua-blue and clear beads)

State the Mystery of the day and then say the following prayer:

Dear Lord, Dear Mother Mary, every aqua bead is special, for on it I pray a Hail Mary for the intentions of the Immaculate Heart of Mary, and on every clear bead, I say a Hail Mary for Peace in our world. Most Sacred Heart of Jesus, have mercy on us! Mary, Queen of Peace, pray for us! Amen.

Pray One Our Father and 10 Hail Marys.

### The Second Decade: (red and clear beads)

State the Mystery of the day and then say the following prayer:

Jesus, Source of Mercy, Mary, Bearer of Mercy, on every red Hail Mary bead, I pray in reparation for the blood spilled from every baby wrenched from its mother's womb through abortion. I know that even as you hold and comfort each of these precious little ones, the horror of their slaughter screams for justice to be meted out upon our world. May these red Hail Marys be a source of reparation for our sins. I also offer each clear Hail Mary bead for the mothers and fathers of these aborted little ones, that they may receive the grace to repent of this sin, turn to Jesus, and receive the gift of salvation with open hearts. Heal them of the emotional and psychological wounds that this sin has caused as You pour out the graces of conversion upon them. Let them now witness for life! Amen.

Pray One Our Father and 10 Hail Marys.

## PRAY CARD BACK:

### The Third Decade: (black and clear beads)

State the Mystery of the day and then say the following prayer:

The black beads are symbolic for the entire medical profession that participates in pro-death activities: all doctors, nurses, assistants, and helpers of every type that contribute to abortion, euthanasia, and anti-life practices of every sort. Every clear Hail Mary bead is for their conversion, repentance, and courage in standing against this crimson tide of death!

State the Mystery of the day and then say the following prayer:

Lord Jesus, Mother Mary, in this decade I offer reparation for all the sins of the medical personnel that act in the interest of death in our society and in our world. I plead also for their conversion to your truth. Let them see the reality of what they are doing, see the horror of it, rend their hearts in repentance, then work for Life and for You, Jesus, all the rest of their days. Amen.

One Our Father and 10 Hail Marys

### The Fourth Decade: (red, clear, and blue beads)

State the Mystery of the day and then say the following prayer:

Lord Jesus, Source of All Truth, Mary, Our Lady of all peoples, with every red Hail Mary bead I pray that every bad, anti-life law in our nation and world be reversed. With every clear Hail Mary bead I plead protection and strengthening of every pro-life law in existence, and with every blue Hail Mary bead I petition for new and strong pro-life laws to be enacted in our nation and in our world. Amen.

One Our Father and 10 Hail Marys

### Fifth Decade: (green and clear beads):

The color green is symbolic of hope. Our Hope is Jesus Christ and the Life in the Holy Spirit He offers to us if we but receive it. Because of our hope in Jesus we have faith that one day our hope for mercy, justice, truth, peace, and life will be fully realized.

State the Mystery of the day and then say the following prayer:

Lord Jesus, I thank you for your incarnation in our human flesh. You were formed in the womb of the Blessed Virgin Mary. Your humanity at the moment of your conce
